

Overdraft Advance Explanation of Benefit

At U\$X Federal Credit Union, we are always looking to find new and better ways to serve you, our member. We began providing our members with a special program called "Overdraft Advance" for members ages 18 years and older with a personal share draft account open for at least 90 days.

Overdraft Advance provides protection in the event that you overdraw your account up to a \$300.00 limit. By paying your overdraft in this way, you will eliminate the extra expense and potential embarrassment of having a share draft returned.

Overdraft Advance is a non-contractual agreement that requires no action on your part. You do not have to sign any agreement or other paperwork. Your current overdraft protection arrangements will remain in place exactly as they are now.

Overdraft Advance services will only be activated if there are insufficient funds available from your checking account. This coverage will be extended to you as long as your account remains in good standing. Most transactions (such as checks, ACH items, on-line bill pay payments, etc.) that overdraw your personal share draft account will be covered up to the \$300.00 limit.

We will apply an insufficient funds fee of \$30.00 for each transaction that we honor and will notify you each time your Overdraft Advance service is activated. Once your Overdraft Advance service has been activated, it is your responsibility to correct any balance deficiency as quickly as possible. U\$X Federal Credit Union expects you to make a deposit covering your overdraft and fees within 30 days. After that time, our normal collection process begins.

You are a valued member of U\$X Federal Credit Union and we hope that you find Overdraft Advance beneficial. At U\$X Federal Credit Union we believe Overdraft Advance is one more way we can let you know how much we appreciate your membership.

NOTE:

Not all members will be eligible for Overdraft Advance. If you have any questions after reading this disclosure, please feel free to call us at 1-888-219-3159 and one of our Member Service Representatives will be able to assist you.
